THE OTTAWA HOSPITAL GOLF DAY

Each year, more than 175 prominent members of the National Capital Region's business community participate in The Ottawa Hospital Golf Day, reputed as one of Ottawa's most exclusive charity golf tournaments. In addition to a great day of golf on one of Ottawa's finest 27-hole courses, players can anticipate good food, a silent auction and wonderful prizes.

The proceeds from this year's event will support The Ottawa Hospital's General Campus Emergency Department. The Hospital provides 24-hour emergency diagnostics, assessment and care services to more than 170 patients every day and thousands of patients annually. The ER faces increased pressure as it copes with a growing and aging population, and more patients with complex illnesses. The Department is urgently in need of an expansion and a massive renovation to provide quality care to our community and its growing needs.

Thank you for your consideration and we look forward to your support.
